

# St. Croix Crossing Half Marathon – July 29, 2023

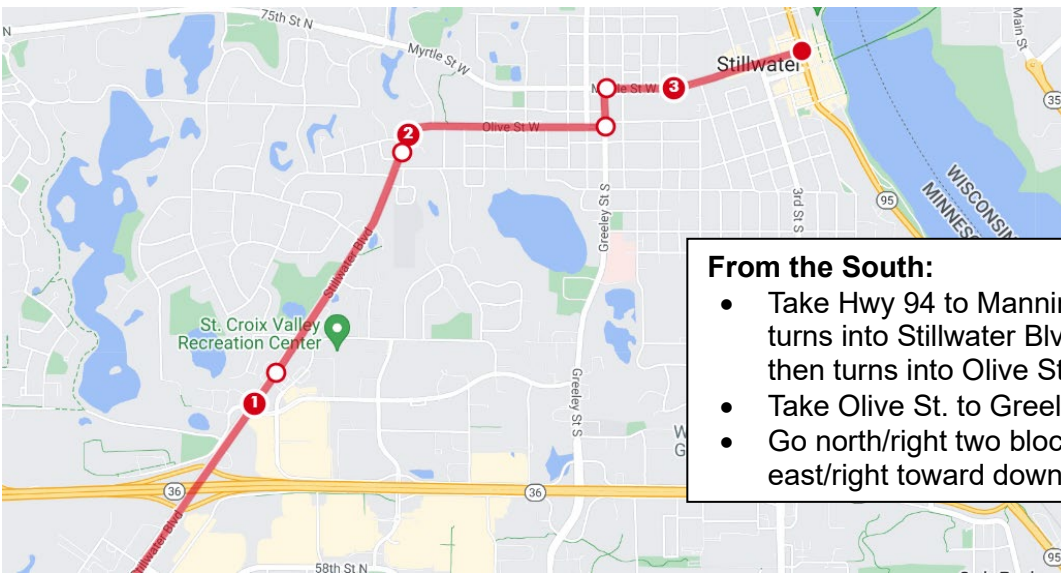

How to Avoid the Downtown Stillwater  
Road Closure and Detour

## #1 – Find an alternate route than Hwy 95 north into downtown

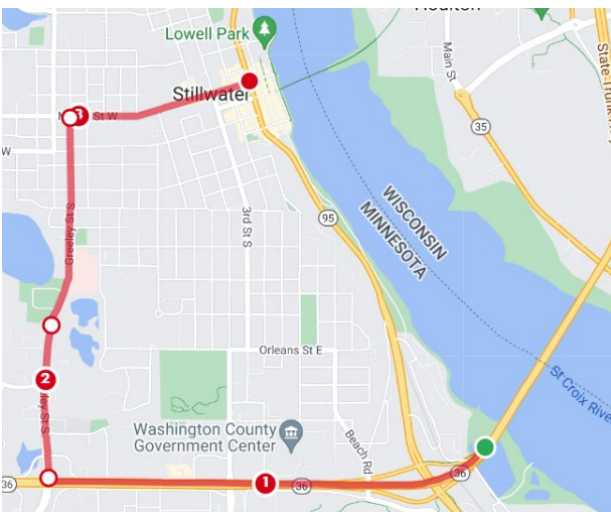

### From the West:

- Take Hwy 36 east to Manning Ave. north/left:
  - to 75th St./Myrtle St. W. Turn east/right to reach downtown, OR
  - to Hwy 96. Turn east/right to Hwy 95 then south/right into Stillwater. Hwy 95 turns into Main St. as you enter downtown Stillwater

### From the South:

- Take Hwy 94 to Manning Ave north (Manning turns into Stillwater Blvd., which crosses Hwy 36 then turns into Olive St.)
- Take Olive St. to Greeley St.
- Go north/right two blocks to Myrtle and turn east/right toward downtown

### From the East

- Take Wisc. Hwy 35 west across the St. Croix Crossing Bridge where it turns into Minn. Hwy 36
- Go north/right on Greeley St. to Myrtle St.
- Turn east/right on Myrtle into the downtown area
